

FISCAL NOTE

SB 2883 - HB 2505

February 21, 2000

SUMMARY OF BILL: Extends the use of mandatory outpatient treatment to include individuals committed involuntarily under emergency standards.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Exceeds \$100,000

Estimate assumes a significant increase in the number of individuals who would qualify for mandatory outpatient treatment at regional mental health centers. The bill would increase the need for social workers to develop treatment and discharge plans for mandatory outpatient treatment.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
